1 About the School

McGill's Schulich School of Music is the largest university-based school for professional musical training and music research in Canada.

McGill's Schulich School of Music is renowned for its orchestral, choral, opera, jazz, chamber, contemporary, and early music programs, and for its award-winning creative and research work in composition, music theory, musicology, music education, sound recording, and music technology.

- *Pollack Hall* (capacity: 600), *Redpath Hall* (capacity: 300 and housing the University organ), and *Tanna Schulich Hall* (capacity: 170) are among the busiest and best concert venues in Montreal;
- The intimate *Clara Lichtenstein Hall* (capacity: 50) was renovated in 2014;
- Facilities also include the *Wirth Opera Studio* (an opera rehearsal room), and the *Multimedia Complex Suite*, including the Multimedia Room (an acoustical research lab), three isolation booths, a small recording studio, and three control rooms of different sizes;
- The *Marvin Duchow Music Library* supports research, teaching, and learning at the Schulich School of Music through reference and information literacy services, by the acquisition and preservation of physical and online collections (more than 300,000 scores, recordings, books, and periodicals, as well as a vast number of online resources), and with a variety of study and multifunctional spaces over three floors, which cater to the needs of McGill Library users at large. The Open Lab of the Music Library is a unique service in Canada, supporting the technology, sound recording, and audiovisual editing needs of the School's faculty and students.
- The *Gertrude Whitley Performance Library* has performing materials for over 6,000 titles;
- The *Centre for Interdisciplinary Research in Music Media and Technology* (CIRMMT) is an interfaculty, inter-university, international consortium of scholars that brings together researchers and artists working in the science and technology of music in a cutting-edge environment for integrated studies of music, acoustics, cognitive science, engineering, sound recording, performance science, and digital media.

The buildings house labs for numerous specialized functions: digital composition and electronic music, music education research, multi-channel sound recording, music perception and cognition, sound processing and control, computational modelling, and more. There are state-of-the-art classrooms, teaching studios, and over 100 practice rooms.

Current student enrolment is approximately 480 at the undergraduate level and approximately 380 at the graduate level. Teaching staff includes over 60 full-time and 140 part-time members. Students, faculty, and staff play major roles in Montreal's vibrant cultural scene, presenting approximately 600 concerts and events annually, as well as master classes, lectures, and symposia, all enhanced by active music student societies, a booking office, and engaged administrative and support staff.

2 History of the School

Founded as the Conservatorium of Music in 1904, and incorporated as a Faculty in 1920, the School moved to its current location in the impressive and historic Strathcona Music Building (formerly the main section of Royal Victoria College) in 1972. It was renamed the Schulich School of Music in 2005 in honour of benefactor Seymour Schulich. During the 2004–2005 centennial season, the School added the eight-story Elizabeth Wirth Music Building (named in 2015), which houses the Marvin Duchow Music Library, the Gertrude Whitley Performance Library, Tanna Schulich Hall, CIRMMT (the Centre for Interdisciplinary Research in Music Media and Technology), the MMR (Multimedia Room), the Wirth Opera Studio, and administrative offices.

5.2 Scholarships, Competitions, Prizes, and Financial Aid

The Schulich School of Music offers a range of prestigious scholarships based on academic and performance achievements. The Schulich Scholarship, the Lloyd Carr-Harris String Scholarship, the Student Excellence Award, and the Derek H. Davis Scholarship are renewable awards valued between \$2,000 and \$12,000 granted at the time of admission. There is no application process for these scholarships. Students who are newly admitted in a Bachelor of Music (B.Mus.) or Licentiate in Music (L.Mus.) program will automatically be considered for these renewable awards and other types of entrance scholarships.

In addition to the renewable scholarships, the Schulich School of Music offers an extensive list of merit-based awards and prizes for returning B.Mus. and L.Mus. students. No application is required for these merit-based awards. These awards are given on the basis of a student's record for the academic session ending in April and are tenable during the following academic year beginning in September. Students must have successfully completed a minimum of 27 graded credits, excluding summer courses and courses completed under the Satisfactory/Unsatisfactory (S/U) option, in the academic year preceding the award. Most scholarships are disbursed twice a year, once at the beginning of fall term and the other the beginning of winter term. The awards will only be released on the condition that the student is enrolled full-time at McGill University. Students whose records contain outstanding incompletes (K or KE grade) or deferrals (L grade) will not be considered for scholarships.

Detail scholarship opportunities for new and returning students can be found in Music Tuition and Funding. mcgill.ca/music/resources/undergraduate/finance.

The Schulich School of Music also offers a range of competitions for students across all music disciplines. Winners for these competitions may receive funding to support travel, projects, research, and performance opportunities. See Competitions and Prizes page at mcgill.ca/music/resources/competitions-awards for detail.

The Student Aid and Scholarship Office administers other types of financial aid in support of music students' learning activities. See Scholarships and Student Aid mcgill.ca/studentaid for detailed information on financial support open to McGill students.

5.3 Summer Studies

Summer Studies offers courses starting in May, June, and July.

Students may take a maximum of 12 credits during the Summer session. Those wishing to take more than 6 credits in any one month must obtain permission from the Music Student Affairs Office.

Information concerning course offerings and registration may be obtained from the McGill [Summer Studies Office website](#).

5.4 Music Credit Options for Students in Other Faculties

The Schulich School of Music offers three groups of courses that may be taken for credit by students in other faculties.

The first group consists of Music Literature and Theory courses especially designed for students from faculties other than Music who may not have taken formal studies in music but who wish to take elective courses in the cultural, historical, and theoretical aspects of music. These courses are generally offered with a MUAR prefix. Students enrolled in a Bachelor of Music (B.Mus.) or Licentiate in Music (L.Mus.) program are not allowed to take MUAR courses as earned credits towards their program.

The second group is an extensive list of courses—in music theory (MUTH), musicianship (MUSP), music history (MUHL and/or MUPP), music technology (MUSR and/or MUMT), etc.—that are part of a [Bachelor of Thesis](#).

2. All applicants must arrange to have a [Letter of Recommendation](#) submitted on their behalf. Referees can email the letter to the Music Admissions Office. Applicants applying to the Music Education concurrent program are asked to submit a second letter of recommendation. References for Music Education should comment on an applicant's potential to be a music teacher;
3. All **supporting documents** for undergraduate applications can be submitted online via Minerva—see mcgill.ca/music/admissions/undergraduate/materials for required materials;
4. Once an admission decision is made, **official transcripts** are required to complete the admission file;
5. All screening (due **January 15**) and recorded auditions (due **February 1**) should be submitted electronically directly to the Schulich School of Music: forms.music.mcgill.ca/audition/.

Applicants are advised that satisfying the entrance requirements does not guarantee admission where instrumental and/or program places are limited.

6.2 Music Entrance Requirements

The minimum music entrance requirements are the equivalent of McGill Conservatory Collegial I Instrument or Voice (Performance applicants: Collegial II) and Secondary V Theory and Ear Training.

Approximate Equivalents to Entrance Requirements in Practical Subjects (McGill Conservatory Collegial I – Instrument/Voice)

Quebec CEGEPs	CEGEP II
Toronto Conservatory	Grade 9
Western Board	Grade 9
Mount Allison	Grade 9
Associated Board of the Royal Schools of Music	Grade 7

The above listing is intended only as a general guide. Admissibility to any program is determined by audition and academic record. Students wishing to major in Performance should be approximately two years more advanced, and be able to demonstrate potential as performers at their audition.

All applicants in **classical voice (all voice types)** and in all **jazz instruments**, who select the on-campus audition option on their application form, will be required to submit screening video material for preselection by January 15. Following a review of these recordings, selected applicants will be invited to attend a live audition. No live audition will be scheduled in classical voice (all voice types) or in any jazz instrument until recordings have been received and reviewed. All applicants must perform an audition of approximately 15 minutes in duration. The student should choose material that will represent different musical styles. An option on the application form allows applicants to submit material electronically. All applicants must perform an audition of approximately 15 minutes in duration. The student should choose material that will represent different musical styles. An option on the application form allows applicants to submit material electronically.

6.3.3 Canadian High School (excluding Quebec) Applicants

Applicants are expected to obtain a high school graduation diploma that leads to university admission in the student's home province. Ontario high school students are normally expected to have obtained a minimum of six pre-university (4U, 4M) courses; at least four of the six must have been taken at the 4U level. There are no specific non-Music prerequisite courses required, and the minimum overall average should be 75%. Canadian high school graduates are admitted to a four-year program.

6.3.4 U.S. High School Applicants

Applicants are expected to obtain a high school graduation diploma that meets the requirements for university/college admission in the U.S. The minimum overall average required is B+. There are no specific non-Music prerequisite courses, SAT, or Achievement Test results required. Some credit will be granted for Advanced Placement Examinations in appropriate subjects. U.S. high school graduates are admitted to a four-year program.

6.3.5 International Applicants

In general, applicants must be eligible for admission to university in their country of origin and have above-average grades. Students who have completed an International Baccalaureate, a French Baccalaureate, or a minimum of three GCE "A" (Advanced) Level examinations are considered for admission into a three-year program. Normally, applicants with five GCE "O" (Ordinary) Level results, plus one year of schooling beyond the Ordinary Level, are admitted to a four-year program. Applicants with qualifications from other systems will be considered for either a three-year or a four-year program.

6.3.6 Transfer Students

Transfer students are considered on the basis of both their university or college work and previous studies. Normally, students are expected to complete a full year of university studies prior to applying for admission, and to be in good standing as defined by the university previously attended. The minimum overall average required is a CGPA of 3.00. Transfer credits for non-Music courses in which a grade of C or better has been received are granted following an evaluation of the student's transcript. Transfer credits, with certain restrictions, are granted for music complementary or elective courses following an evaluation of the student's transcript (a higher grade may often be required). Transfer students must complete a minimum of 60 credits at McGill in order to obtain a degree.

6.3.7 Mature Students

Applicants who are at least 21 years of age and are Canadian citizens or Permanent Residents at or before registration, who have not met the high school or CEGEP academic requirements, and who are able to demonstrate exceptional talent in their discipline may be considered for admission. Such applicants may reside anywhere in Canada. All available academic/educational documents must be submitted. An interview may be required.

6.3.8 Special Students

Special Students do not need to fulfil any of the academic requirements outlined previously, but are required to have the necessary music prerequisites for the courses concerned. The minimum requirement is a bachelor's degree in music or equivalent. Registration is subject to the availability of space in the course(s) concerned. Special Students are normally not entitled to lessons in an instrument or in voice. Registration is permitted for one year only, after

6.5 Music Placement Examinations

All new students, including students from other faculties who are interested in pursuing a music minor or major, may sit diagnostic placement examinations in theory (courses with MUTH or MUJZ prefixes) and musicianship (courses with MUSP prefixes) if they wish to register for 200-level courses in these subjects. Placement examinations take place once a year.

For a precise schedule and exam descriptions, refer to [Placement Exams](#).

For B.Mus. and L.Mus. students (except those in a Jazz program) as well as students in other bachelor programs who would like to pursue a Music minor or major, the following placement exams are available:

- Theory - MUTH 150 and 151
- Musicianship (Ear Training) - MUSP 140, 141, 240, and 241
- Musicianship - MUSP 170 and 171

Note: Students who have successfully completed equivalent musicology courses from a CEGEP, college or university, or have passed the Royal Conservatory of Music (RCM) Level 10 History exam, are exempt from Western Musical Traditions (MUHL 186). See [Placement Exams](#) for more detail about MUHL 186 exemption.

For B.Mus. Jazz Performance, B.Mus. Faculty – Jazz, and L.Mus. Jazz Performance students, the following placement exams are available:

- Jazz Ear Training - MUSP 123 and 124
- Jazz Keyboard Proficiency - MUJZ 170 and 171
- Jazz Materials - MUJZ 160 and 161
- Theory (B.Mus. Faculty - Jazz students only) - MUTH 150 and 151

Note: Students who have successfully completed equivalent jazz history courses from a CEGEP, college, or university are exempt from Jazz History Survey (MUJZ 187). See [Music Placement Exams](#) for more detail about MUJZ 187 exemption.

New B.Mus. and L.Mus. students will receive the placement examination results on their Program Audit (PA). See mcgill.ca/music/student-resources/undergraduates/academic-resources/program-audit for details. Exemption note(s) will be added to the transcripts for those who have been exempt from one or more course(s) via placement exams. Credits will be granted for courses from which students are exempt by way of placement exam(s). Students are generally not permitted to register for a course from which they have been exempt, unless they receive departmental approval. In such cases, a zero credit exemption will be noted for the course from which a student is exempt.

Students accepted into the Licentiate in Music (L.Mus.), who have completed the degree of Bachelor of Music (B.Mus.) at a Canadian or North American university (or the equivalent elsewhere) within the preceding three (3) years, will not be required to sit the Music Placement Examinations and will be exempted from required Theory, Musicianship, and Music History.

6.6 Readmission

Students in Satisfactory Standing, who have not been registered in the Schulich School of Music for one or two terms, may return to the program in which they were previously registered upon permission of the School. Those who have been out for longer than two consecutive terms may be readmitted upon permission of the School, subject to the student's previous record and current School's limitations on enrolment.

Students seeking program readmission must submit a program readmission request on Minerva. The application instruction and deadlines are posted on the Schulich School of Music website at mcgill.ca/music/resources/undergraduate/academic-actions/program-transfer-and-readmission.

6.6.1 Reauditioning

In addition to the program readmission request form on Minerva, students seeking program readmission after having been away for more than a year, and who have not yet completed the required practical examination(s) will be asked to reaudition. Students who are uncertain about the reaudition regulations should contact the Music Student Affairs Office at studentaffairs.music@mcgill.ca.

6.7 Tuition Fees, Practical Instruction Fees, and Lesson Quotas

Note: The fee rate presented in this section is in reference to the 2022-2023 academic year, and is subject to change for the 2023-2024 academic year. Review current Schulich School of Music fee rate at the [Student Accounts website](#).

General information on tuition and other fees can be found in [University Regulations and Resources > Undergraduate > Fees > : Tuition Fees](#). The University reserves the right to make changes without notice in the published scale of fees.

Individual practical instruction on a main instrument or voice as indicated in the various degree and diploma programs (see [section 5.1: Degrees and Diplomas Offered](#)) is included at the per-credit rate and the practical instruction fee of \$645.09 per term only while the student is full-time, and for a maximum number of years according to the follo

7.3 Academic Standing

In addition to meeting the program-specific academic conditions stipulated above, students are expected to maintain Satisfactory Academic Standing to allow for program continuation.

Academic Standing is based primarily on students' cumulative grade point average (CGPA), but may also be affected by their term grade point average (TGPA). Academic Standing, assessed after the end of each term, determines if students will be allowed to continue their studies in the next term and if any conditions will be attached to their registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January. Grades for courses in which students have deferred examinations and Fall term grades for courses that span the Fall and Winter terms do not affect Academic Standing for the Fall term, even though they will ultimately affect students' Fall TGPA. Therefore, Academic Standings for the Fall term are designated as Interim and should be interpreted as advisory; moreover, Interim Standings will not appear on external transcripts. Interim Standing decisions are mentioned below only if the rules for them differ from those for regular Standing decisions.

Satisfactory/Interim Satisfactory Standing

Students in Satisfactory Standing may continue in their program.

- New students are admitted to Satisfactory Standing.
- Students with a CGP

Students with Incomplete Standings in the Winter or Summer term may register for the Fall term, but their Standing must be resolved by the end of the course change period for that term. Students whose Incomplete Standing changes to Satisfactory or Probationary may continue in their program. Students whose Standing changes to Unsatisfactory Standing may not continue in their program.

Students whose Standing changes to Unsatisfactory and who wish to ask for permission to continue in their program must make a request to the Associate Dean (Academic and Student Affairs) as soon as they are placed in Unsatisfactory Standing. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation).

Students whose Standing is still Incomplete by the end of the course change period should immediately consult with the [Music Student Affairs Office](#).

7.4 Ensemble Policy and Regulations

7.4.1 Preamble

The ensemble program is designed to provide an enriched and cohesive curriculum in practical musicianship for every student. Much of this training is accomplished in ensembles (instrumental, choral ensemble, or specialized) for the duration of a student's studies.

Students are responsible for checking their program requirements carefully in order to verify and fulfil large and small ensemble requirements; the Performance Department does not follow the particular enrolment of any student's participation in their large or small ensembles.

Note: In some documentation, large ensembles are referred to as "basic" ensembles, and small ensembles are referred to as "assigned" ensembles.

For each program's large and small ensemble requirements, students should refer to the appropriate section of the eCalendar's [Music Undergraduate](#) section (all under

MUEN 598	Percussion Ensembles

Note: Beethoven Orchestra (MUEN 567) does not count toward small ensemble credits.

7.4.3 Additional Ensembles

Additional ensembles chosen by students in non-performance programs to reflect their particular interests may, with departmental approval, be applied as music and/or free elective credit. Students in performance may apply a maximum of four ensemble credits as complementary performance courses. Students electing an ensemble will normally be required to participate in the ensemble placement auditions and will be placed accordingly.

7.4.4 Assignments and Auditions

Auditions for large and small ensembles are mandatory for participation in the ensemble. Information on all auditions for ensembles can be found on the [ensembles website](#).

Students who cannot participate in the ensemble auditions at the times indicated on the website must contact the ensemble resource supervisor at least two (2) contact the ense at least twM for Pianis331 536.92 Tt entG/F2 8

7.4.6 Failing Grade

A failing grade in any of the ensembles (large, small, complementary, or elective) obliges the student to make up the credit during a later semester. A subsequent failure in the same course may result in the student being required to withdraw from the program.

7.4.7 Request to be Excused from a Rehearsal

Students who cannot attend a rehearsal for a large ensemble are required to fill out an [Absence Request Form](#) as soon as they learn of their conflict. The students may be required to find a replacement for the rehearsal, in collaboration with the director.

Note: For Opera McGill policies, please contact patrick.j.hansen@mcgill.ca.

How to submit a request to be absent from a rehearsal

Important: No permission is given to be excused from a rehearsal in the week (7 days) before a concert, including the dress rehearsal and the concert itself.

Absences or tardiness without an approved Absence Request Form (available at sites.music.mcgill.ca/ensembles/absencerequest) will result in a final grade deduction as follows:

- Excused absences = no loss of grade

7.4.8 Preparation

If the director of an ensemble is not satisfied with the quality of the student's preparation for rehearsals, the director shall first warn the student. This warning shall be communicated by the director to the Ensemble Resource Supervisor and Area Coordinator, who shall inform the student in writing. If, in the director's opinion, this lack of preparation continues, further action will be taken to remedy the situation.

For any particular performance, if—after a written warning to the student(s) with copies to the Ensemble Resource Supervisor, practical instruction teacher, Area Coordinator, and Department Chair—the director, in consultation with their sectional coaches, feels that the performance of a student or group of students will not meet a certain minimum standard established by the director, the director may cancel a student's participation in a performance.

Students who are required to withdraw from an ensemble for reasons of lack of preparation will be given a grade F, which will be reflected in their grade point average (GPA).

7.4.9 Withdrawal

Withdrawal for any reason obliges the student to make up the credit(s) during a later term.

7.4.10 Exemption from a Required Ensemble

In order to be given permission not to participate in a required ensemble for a term or part thereof, a student must meet one of the following four criteria:

1. The student must be a participant in a major national or international competition, or (in the case of voice students) be given a significant role with a recognized performing arts ensemble, and (in the case of all students) have completed the minimum number of required terms of the ensemble, and have the permission of:
 - their practical teacher;
 - the Area Coordinator;
 - the director of the ensemble; **or**
2. The student must have completed all program requirements except the final exam on their instrument; **or**
3. The student must have completed all musical requirements of their program, having only non-music and/or free electives remaining; **or**
4. The student must have a significant medical reason.

Note: Permission to not participate in a required or complementary ensemble for a term or part thereof is not an exemption and does not satisfy any credit requirements for a degree.

7.4.11 Rotation in Large Ensembles

When possible, and to help ensure equal opportunity and experience for students in the large instrumental ensembles, the seating of students in these ensembles may be rotated periodically throughout the term or year. The director of the ensemble, along with the guidance of the Area Coordinator and/or practical instruction teachers, will determine whether or not rotation is possible.

7.4.12 Transfer Credits

The previous ensemble participation of students coming to McGill from other universities will be recognized if their ensemble experience was similar to that required by the Schulich School of Music; determination of this experience will be approved by the Area Coordinator and the Department Chair. In general, transfer credit is made on a term-for-term basis (not by credits) and usually does not exceed two (2) terms. Students are normally not permitted to reduce the large ensemble training requirements of their McGill program to less than the number of terms required for them to complete the rest of their program. In such cases, transfer credit may be given as music and/or free elective credit for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses.

7.4.13 Large Ensemble Extra Credits

Based on the admitted program, large ensemble credits accumulated above the minimum may be applied as music and/or free elective credits. In addition, students in performance may apply a maximum of four MUEN credits as complementary performance courses. Participation in additional large or small ensembles implies that the same policies will apply.

7.4.14 Performance Library

Students are responsible for the music that has been loaned to them for their use, and for its return in good condition to the Gertrude Whitley Performance Library. Students will be required to pay for the replacement of any music that has been lost, stolen, or damaged, and a hold on a student's Minerva account can be placed by the Performance librarian should music or fines not be handed in to the library.

7.5 Accompanist Program

Music students registered for practical instruction (including elective practical instruction) in one of the eligible instruments may request Accompanist Funding up to a maximum number of hours. Further details are available from the Department of Performance (performance.music@mcgill.ca).

7.9 Distance Education (Online) Courses

Students may take a maximum of 6 credits of non-Music elective courses taught through distance education toward their B.Mus. degree at McGill. Courses taught through distance education from institutions other than McGill will be approved as transfer credits under the following conditions:

- The course is given by a government-accredited, de

- Students requesting a deferred examination in a **practical music examination** must contact the [Performance Department](#) directly to re-schedule the exam.

Supporting evidence such as an appropriate medical note is required. The supporting documents must be submitted to the [Music Student Affairs Office](#) no later than five business days from the date of the final exam. For all exam deferral requests **except for practical music examination (practical exam with MUIN prefix)**, an L (deferred) will appear in place of a grade if the request is approved. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in academic courses without a final exam during the official exam period are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in academic courses are normally held during the March Study Break for Fall term deferrals and in August for Winter Term deferrals. See the [Exams website](#) for more information. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not c0t is tht fW

Departments may recommend that students be awarded Outstanding Achievement in recognition of superior performance on an instrument or voice or in an academic discipline.

8.3 B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program

The Bachelor of Education in Music (B.Ed. Music) mcgill.ca/dise/teachercert/music is an integrated 152-credit program of initial teacher training that leads to certification as a teacher in the Province of Quebec. This program is only open to students who have completed a Bachelor of Music (B.Mus.) or its equivalent, and normally students receive significant advanced standing in the program such that the B.Ed. Music program can be completed in two and a half years. Applicants to B.Ed. Music should choose Faculty of Education (Music) as the faculty which offers the program when submitting an application for an undergraduate program. Students who do not have an equivalent B.Mus. should complete the concurrent Bachelor of Music (B.Mus.) - Major Music Education and Bachelor of Education (B.Ed.) - Music Elementary and Secondary mcgill.ca/music/programs/bmus/bmus-bed. The concurrent program is comprised of 170 credits, and combines academic studies in music, professional studies and field experience. Students normally take five years to complete the concurrent program. The two degrees are awarded during the same convocation period. Applicants to the B.Mus./B.Ed. concurrent program should select Schulich School of Music as the faculty when applying for this program.

Students in the concurrent B.Mus./B.Ed. or B.Ed. Music who receive an F or J in any Field Experience course are placed in Unsatisfactory Standing. Although they may complete their term, they are required to withdraw from the program.

8.3.1 Concurrent Bachelor of Music (B.Mus.) - Major Music Education and Bachelor of Education (B.Ed.) - Music Elementary and Secondary (170 credits)

The Concurrent B.Mus./B.Ed. combines the Bachelor of Music (Major Music Education) with the Bachelor of Education (Music Elementary and Secondary).

Requirements are normally completed in five years and lead to certification as a school teacher in the Province of Quebec. Out-of-province students (or those without Quebec CEGEP, French Baccalaureate, International Baccalaureate, or at least one year of university studies prior to commencing the Concurrent program) are required to complete 170 credits, normally in six years.

Applicants who already hold a Bachelor of Music degree from a North American university should apply directly to the Bachelor of Education in Music Elementary and Secondary (B.Ed. Music) program of
